Dear Parents and Guardians,

Holy Family continually works hard to provide an excellent and affordable Catholic education while trying to keep the costs within reason. This year, I am pleased to announce a new initiative that we will be implementing for our school families: “Continuous Enrollment.” Other schools have used the Continuous Enrollment model with great success and we hope you will find the process equally simple and convenient.

Continuous Enrollment is a strategy that assumes that once enrolled, a child will continue their education until graduation from eighth grade. This will streamline the enrollment process as most of our families remain at Holy Family year after year.

For the 2018-2019 school year ONLY, you will be asked to complete and return a Continuous Enrollment Agreement no later than March 28, 2018. The \$100 re-enrollment fee will be rolled into your monthly tuition payment along with a modest annual tuition increase of \$100 which is an increase of \$10 per month for parish families with students in K-8, and \$10 per child per month for other families and PK students. This minimal increase will help offset some of the increasing financial obligations of the school. The complete Tuition Rate Schedule is attached for your review.

We will notify you when the Continuous Enrollment Agreement Form becomes available on our website. At that point, you should complete and return the Agreement by the **due date of March 28<sup>th</sup>**. After that, your paperwork obligation will end, and you will never have to worry about it again!

For families who will not be returning, we ask that you notify us by completing an “Opt-Out” form which will be available on our website. The due date of the Opt-Out form will be April 15<sup>th</sup>.

Sincerely yours in Christ,

Mrs. Kara Haggerty

Principal
