MISSION STATEMENT

Life Center Academy is a Christian school dedicated to academic excellence in preparing students as servant leaders to fulfill their God-given potential and accomplish the eternal purposes for which God created them.

OUR VISION

We believe God has called Life Center Academy to partner with families to prepare the next generation of Godly servant leadership through the process of Learning, Communicating, and Applying Biblical life principles to the global community.

- **Learning:** Establishing the discipline of being a life-long learner, developing to his/her highest possible achievement as responsible Christian citizens.
- **Communicating:** Developing the ability to communicate an integrated Biblical worldview to a global community in their chosen vocation.
- **Applying:** Entering the world as spirit empowered citizens to apply their knowledge through effective Christian service.

STATEMENT OF FAITH

We believe and teach that the Bible, both the Old and New Testaments, is the inspired, the only infallible, authoritative, inerrant Word of God (2 Timothy 3:15; 2 Peter 1: 21).

We believe and teach that there is one God, eternally existent in three persons--Father, Son, and Holy Spirit--who created man by a direct immediate act (Genesis 1:1, 26-27; Matthew 28:19; John 10:30).

We believe and teach the deity of the Lord Jesus Christ (John 10:33); His virgin birth (Isaiah 7:14; Matthew 1:23; Luke 1:35); His sinless life (Hebrews 4:15; 7:26); His miracles (John 2:11); His vicarious and atoning death (1 Corinthians 15:3; Ephesians 1:7; Hebrews 2:9); His bodily resurrection (John 11:25; 1 Corinthians 15:4); His ascension to the right hand of the Father (Mark 16:19); His personal return in power and glory (Acts 1:11; Revelation 19:11).

We believe and teach the absolute necessity of regeneration by the Holy Spirit for salvation because of the exceeding sinfulness of human nature; and that men are justified on the single ground of faith in the shed blood of Christ and that only by God's grace through faith alone we are saved (John 3:16-19; 5:24; Romans 3:23; 5:8-9; Ephesians 2: 8-10; Titus 3:5).

We believe and teach the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation (John 5:28-29).

We believe and teach the spiritual unity of believers in our Lord Jesus Christ (Romans 8:9; 1 Corinthians 12:12-13; Galatians 3:26-28).

We believe and teach the present ministry of the Holy Spirit by whose indwelling and infilling the Christian is enabled to live a godly life and witness to the saving grace of Christ (Acts 1:8; Romans 8:13-14; 1 Corinthians 3:16; 6:19-20; Ephesians 4:30; 5:18; Titus 2:11-14).

OUR CORE VALUES

Jesus: Providing a biblically grounded academic preparation where Jesus is the center of our lives.

People: Developing our Christian character to promote the love of Christ to all people.

Servanthood: Developing lifestyle leadership for effective Christian service in our homes, communities, and the world.

Excellence: Seeking excellence in everything we do as an act of worship.

Communication: Developing a spiritual submission to glorify God in all our written and spoken words.

Generosity: Developing a Holy Spirit empowered generosity in every aspect of our lives.

PHILOSOPHY OF CHRISTIAN EDUCATION

Life Center Academy recognizes that the God-given responsibility for the education of children rests with the parents (Deuteronomy 6:6-9). The purpose of the Christian school is to be an extension of the Christian family and should assist and complement the parents in that responsibility. Therefore, the primary purpose of Life Center Academy is to provide a school for Christian children of Christian parents. LCA's definition of a Christian family is one where the mother, father and student are born again Christians, are active in a Bible believing church, and strive to live lives consistent with the Word of God.

The Bible is the foundation for the education of our children. From the Scriptures we understand that God desires certain principles, beliefs and values to be developed in our children. These include:

1. The view that all knowledge is to be interpreted from a Biblical perspective. All academic subjects are to be taught with an understanding of the absolute standards of truth that God has established. (2 Timothy 2:15)
2. Respect for authority (Romans 13:1; Hebrews 13:17). One's view of authority directly influences his/her concept of God.
3. The meaning of true success and how it is achieved (Joshua 1:8; Proverbs 22:6). The key is for each person to discover what God's will is for himself/herself, and then to do it through developing the traits that are good and correcting those that are not.
4. The personal acceptance of Jesus Christ as Lord and Savior (John 3:3). Salvation

is essential for success in any area of Christian education.

5. Respect for the rights of others (Luke 6:31). Following the Golden Rule helps improve relationships.
6. Personal integrity (Psalm 1:1, 2; Ephesians 4:29). Honesty and truth are to be upheld at all times.
7. Productivity and the desire to always do one's best (Ecclesiastes 9:10; 2 Timothy 2:15). A healthy work ethic has application in so many areas of life.
8. Personal conviction and Christian witness (James 4:17; Matthew 5:16; 28:19, 20). Being willing to take a stand for the cause of right and declare the Gospel of Jesus Christ in word and deed is much needed in today's world.
9. Holding to the traditional family structure (Genesis 2: 24). God's plan for the family is still one man and one woman for one lifetime.
10. Moral purity (1 Corinthians 3: 16, 17; 6:19, 20). Since our bodies belong to God, we must refrain from any act that would defile or degrade them, and maintain personal health and hygiene in order to strengthen them.
11. Patriotism (Romans 13:6-8). Love and respect for America and those who have sacrificed to preserve our freedom is the duty of each one who lives in a nation so blessed of God. This attitude coupled with prayer for our country (2 Chronicles 7:14) is vital to keeping our nation strong.

EDUCATIONAL OBJECTIVES

Luke 2:41-52 records the only written account of Christ as a young person. Verse fifty-two states that He grew in wisdom (mentally), stature (physically), and in favor with God (spiritually) and man (socially). STATEMENT OF NONDISCRIMINATION

Life Center Academy admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. Life Center Academy does not discriminate on the basis of race,

color, national and ethnic origin in administration of its educational policies, admissions policies, financial aid, athletic and other school-administered programs.

INFORMATION

ATHLETICS

Life Center Academy has fall, winter, and spring programs.

- Fall – soccer, girls' volleyball
- Winter – basketball, cheerleading
- Spring – baseball and softball

All junior varsity and varsity athletes must pay a registration fee to be eligible to play each sport.

All athletes must be passing all classes to be eligible to play a sport.

Students must take all personal property with them to their practices. Bags, etc. are not to be left in the school hallways.

Parents must promptly pick up athletes from school at the conclusion of all practices and games. Students may not be left unattended, or told to stay on campus until a later game or instructed to go over to the Life Center. For the student's safety they must be supervised at all times while on school grounds.

ATTENDANCE

Each student enrolled in LCA is required to attend school and classes regularly. State law provides that any student under age 16 who fails to attend regularly may be legally prosecuted by the State of New Jersey; the parents also may be prosecuted.

Student Absences

The parent/guardian shall provide a signed and dated note the day following an absence explaining the reason for the absence. Failure to return the note will automatically result in the absence being marked unexcused.

1. Excused absences include:

- a. Student illness.
- b. Death in the immediate family
- c. Cases in which the Headmaster/Administration granted prior approval.

2. Unexcused absences include:

- a. No written excuse note from the parent/guardian.
- b. Excuse provided is not valid per guidelines in the Student Handbook.

3. The faculty should discourage unexcused absences and report to the Headmaster any knowledge of a student considering an unexcused absence.

4. If an absence is requested and excused then the teacher is asked to assign advance work to be completed by the student.
5. Students must bring written excuses to the office the first day following an absence.
6. Any faculty member who is responsible for a student missing all or part of a class period must provide a pass for that student and/or secure one from another faculty member.
7. A teacher must immediately report any absent student who is not on the absentee list to the office.
8. A student who has been absent from school is responsible to make up class work that has been missed. Upon returning to class, students are responsible for making up all tests, quizzes, homework, projects and laboratories as soon as possible or receive a zero.
9. Any student missing twenty-five (25) days or more may not be promoted. (Students with serious medical problems, etc. may be excluded from this policy).
10. Students returning to school after three (3) consecutive days of absence are to report to the school office and submit a doctor's note stating the reason for the absence.

Student Tardies

1. All students who do not have an excused tardy slip to enter a class are considered tardy after the tardy bell rings at 8:15 a.m.
2. After 8:15 a.m. students must report directly to the school office lobby at door #12 to receive a late pass.
3. A lateness will only be considered "excused" for legitimate reasons; i.e. doctor's appointments, funerals, etc. A parental note must accompany the student.
4. Jr./Sr. high school students who are tardy to class will be given a violation slip for being tardy.
5. A student must report to school by 11:30 a.m. to be considered present and/or to be eligible to participate in any athletic event that day.
6. Habitually late students will require a parent/guardian conference with the Assistant Dean. Four unexcused tardies will warrant an administrative detention to be served by the student the next day.

7. One unexcused absence will be assigned to each student for every three unexcused tardies.

Removing Students from School during School Hours

Any parent desiring to remove a student in the course of the day must inform the school office in writing at the very beginning of the school day.

Students leaving early from school must be picked up at the school office. They must be signed out by the driver. Parents are not to pick up their children at the classroom.

No student shall be taken from school during school hours except:

1. By a parent or guardian when properly identified. In cases in which the parents have been divorced or separated, the child will be released only to the parent having legal custody.
2. By another person, upon written request, properly verified, by the parent or guardian. Photo ID required.
3. Prior to releasing students to anyone, their records should be double checked to verify whom the parents/legal guardians have authorized release.

Students are not allowed to leave campus in their own vehicles or another person's vehicle for any reason during the school day. Rare exceptions can only be made by agreement between the Headmaster and the student's parent.

Special Excuses

Any student requesting a partial or full day excused absence for medical or dental appointments, driver's test, college or career interviews, etc. must present a written request from the parents in advance. If not, the student gets an unexcused absence.

BEFORE AND AFTER SCHOOL PROGRAMS

Before School (no fee attached to this service)

All students are required to go to the Life Center Before School designated area if they arrive before 8:00 a.m. This program is available from 7:00 a.m. until 8:00a.m. There they will be monitored by LCA staff personnel and allowed to go into the educational building no earlier than 8:00 a.m. All buses drop off students at the Life Center.

After School (a fee is attached to this service)

Students enrolled in the After Care Program will be escorted to a designated area in the Life Center at the end of the school day. The After Care Program is only for students in grades K-7. The "After Care" Program closes at 6:00 p.m. All students must be picked

up by that time. An additional fee will be assessed for students being picked up after this time.

K-7th students who have not been picked up after school by 3:00p.m. will be automatically sent to the After Care program in the Life Center. There is a charge for this service in which the cost will be prorated by the ½ hour.

No students for any reason are allowed to hang out in the Life Center or school grounds unsupervised by a staff member after school. If 8th – 12th graders' parents anticipate that pick time for their children could be challenging for them due to their work schedule, we recommend that you encourage your children to become involved in our athletic or extracurricular activities. Please see the appropriate areas of this handbook for more information on them.

Food or drink may only be consumed in the classrooms during break time with the teacher's permission and supervision. Students may congregate in the hallways, but they may not sit down on the hallway floors. The cell phone policy is still in effect during break time; no technology use is allowed without teacher permission.

CELL PHONE POLICY FOR STUDENTS

- Students may have a cell phone on their person during the school day but it must be kept on silent or be turned off (vibrate and/or any volume is unacceptable) and be out of sight. This includes break time and lunch.
- Cell phones may only be used during class for educational purposes upon the instruction of the teacher(s). Teachers may have classroom policies regarding the collection of cell phones on specific days (such as exam or quiz days) for a specific class, in which case the students must oblige. This measure is taken solely to prevent cheating via cell phones.
- LCA teachers and administrators will confiscate student cell phones on sight.
- Parents / guardians, please note that students are not allowed to use their cell phones at all during the day so do not expect them to respond to a message you sent to them (text, voicemail, social media, etc.) during the school day and please do not tempt students to break this rule.
- In case of emergency, parents are to contact the school office.

CONFLICT AND GRIEVANCE PROCEDURES

Because Life Center Academy is a Christian school and the work wherein we are engaged involves the religious tenants of belief, is composed of spiritual activities over an educational function and is a sacred undertaking, we cannot authorize anything other than direct communication between believers for any kind of dispute. Communication in this manner is the only Biblical means that is acceptable for corrective purposes. I Corinthians 6:1-8 is very clear on this point.

The following procedure is intended to establish effective means of communications by which to channel issues.

When a conflict or grievance arises, relating to the student or parent and the school, everyone is expected to follow the guidelines outlined in Matthew 18:15-17 as follows:

1. Approach in the spirit of meekness only the person(s) involved. Share with them the specific details of the offense. Never share the offense with others before first

approaching the person(s) directly involved.

2. If a resolution is not reached, take the matter to the next person in the chain of authority. The chain of authority, in ascending order, is:

- a. Student or parent.
- b. Teacher
- c. K-6th Elementary Lead Teacher, 7th -12th Assistant Dean of Students
- d. Dean of Students
- e. Headmaster
- f. Senior Pastor

- The final appeal is made to the Board, but only after a-f above has been done.

LCA strongly urges compliance to these guidelines from all students, parents, personnel and members of the administration.

CURRICULUM -Grades K-6

LCA uses a variety of curricular materials as a starting point for teaching. Typical publishers are Bob Jones, McDougal-Littell, Silver, Burdett & Ginn, and Harcourt, Brace & Co. In addition, the teachers use a variety of creative activities, manipulatives and individualized techniques to instruct the child. The curriculum is guided by K-6 scope and sequence.

CURRICULUM – Grades 7-12

LCA uses a variety of curricular materials for teaching. Typical publishers are Bob Jones, Silver, Burdett & Ginn, D.C. Heath, Prentice-Hall, Holt, Rinehart & Winston, Harcourt Brace & Co., Glencoe-McGraw Hill, and McDougal-Littell. LCA offers a college preparatory track course of study in academics. Junior and senior students are encouraged to begin their college studies at Rowan College at Burlington County.

DINING HALL

The Dining Hall is your place to eat and relax for a few moments with your friends. Your behavior is expected to further demonstrate the fact that the students at LCA will act as ladies and gentlemen at all times. Clear your table upon dismissal. No food or drink may be taken out of the cafeteria.

DISCIPLINE

1. Submission of Students to Authority

As a student of LCA, it is your responsibility to adhere to the school rules, follow the courses of study and submit to the authority of the school staff. LCA staff has the final authority while on school property. All faculty and staff members are to be given proper respect. The goal of the LCA staff is not to reform, but train students.

2. Student Conduct and Discipline

Discipline is training that leads to gradual consistent development of self-control, character, orderliness and efficiency. Discipline is guiding a child so that he learns to get along with his classmates, teachers, school staff and he learns to obey in an agreeable manner.

The result or final goal is self-discipline...the ability to control oneself in keeping with recognized standards, without the need to be prodded, pressured or otherwise externally forced.

Penalty or punishment for unacceptable behavior helps the child to learn and understand that he is experiencing or suffering unpleasant consequences as a result of his own behavior. Denial of privileges, removal from a group, being required to pay for damaged property of others, withholding of an expected reward, verbal or written apologies for offenses to others, restriction of activities, and extra work are examples of actions which may be taken. Discipline or learning that is acquired through love, affection, mutual respect, frequent recognition, approval, and a desire to please will be of a more permanent nature.

Proper student behavior is expected to be demonstrated in the classroom.

- When a visitor enters a classroom students should be quiet until the teacher is able to resume class.
- When a class is in session students must raise their hand and wait to be recognized by the teacher before they speak or ask a question.
- Students must avoid slumping in their chairs/desks, or laying their heads down on their desks.
- Students should not get out of their desks unless they have specific permission to do so from their teacher.
- There should be no talking without the teacher's permission.
- All adults must be referred to with the proper title of Mr., Mrs. or Miss. Never are first names of an adult to be used.

Proper student behavior is expected to be demonstrated at all school activities (trips, clubs, athletic practices and games, etc.)

3. Student Code of Conduct

A. Students who are not where their schedule permits or leave class without permission.

1. 1st offense – teacher detention issued
2. 2nd offense – parent/guardian called; administrative detention issued.
3. 3rd offense – parent called in on 3rd offense; suspension issued, or Saturday detention.

B. Students who leave LCA buildings without authorized permission in writing.

1. 1st offense – administrative detention.
2. 2nd offense – parent/guardian called; possible suspension issued.
3. 3rd offense – parent called in on 3rd offense; suspension issued.

C. Students who leave LCA buildings and grounds without authorized permission.

1. 1st offense – parents/guardians called; suspension issued; if a student driver is involved, this will constitute a one month loss of driving privileges.
2. 2nd offense – same as above; suspension issued; student drivers will incur a loss of driving privileges for the remainder of the school year.
3. 3rd offense – Expelled.

D. Students who curse at any time.

1. 1st offense – administrative detention.
2. 2nd offense – parent/guardian called; suspension issued.
3. 3rd offense – probable expulsion.

Cursing at a staff member will bring immediate suspension; probable expulsion.

E. Electronic devices including, but not limited to: CD/players, Ipods, MP3 players, radios, pagers/beepers, cellular phones and any and all listening/recording devices are not permitted to be used when entering the building in the a.m. or anytime while on the campus. Throughout the school day they must be put away/out of sight. The only exception is for students in the before school program. They must abide by the stated guidelines at 8 a.m. before they leave their areas for their classrooms.

If the electronic device is seen by staff for any reason it will be confiscated. Other electronic equipment, i.e. lasers, games, etc. which could cause interruptions in the learning environment are prohibited. (Students should leave all valuables at home. LCA is not responsible for lost/stolen items.) iPads and laptops may only be used in the classroom with explicit permission from the teacher.

1. 1st offense – electronic device confiscated/parent must pick up from office.
2. 2nd offense – penalty #1 AND an administrative detention.
3. 3rd offense – penalty #2 AND an administrative detention and discussion with parents; possible Saturday detention.

Students who call/text parents during school for any reason except a real school wide emergency will receive an automatic administrative detention. If you must make a phone call, go to the school office for permission. Parents are asked to not call/text their children during the school day. Should information need to be given to the students, or a family emergency arises, contact the school office at (609) 499-2100.

4. Committing a serious breach of conduct inside or outside of school.
5. Obtaining three cumulative detentions for misconduct.

NOTE: Probation may include being restricted from participation in extra-curricular activities, during or after school. This includes, but not limited to, such activities as athletics, trips, sporting events and attending as a spectator. If a student fails to change after continual attempts at correction, the school could be left with no other recourse but expulsion.

M. Suspension

Suspension is invoked when gross misconduct or repeated misconduct takes place, i.e. fighting, hazing, bullying (see N), willful destruction of school property or the property of another student or teacher, etc. Students fighting regardless of who started it will be sent home immediately. If an adult/staff verify that “A” student hit “B” student first, “B” student might not be suspended. This decision will be made at the discretion of the Assistant Dean of Students. The student will receive a 0% for all work in each subject missed. Parents will be contacted. A notice explaining the reason(s) of the suspension must be read and signed by parent(s)/guardian(s), and returned to the school by the day the student returns. A meeting with the student and parent(s)/guardian(s) with a school administrator/representative may be required to take place by 8:00 a.m. the day the student returns.

While suspended students may not be on school grounds for any reason. Suspended students are barred from all extra-curricular activities.

The actual nature of the object could result in an immediate suspension of the student and possible contact with the local police.

S. Pulling of fire alarm (which automatically contacts the fire department) will result in immediate suspension and possible payment of fines issued by the community for false alarms.

T. Insubordination towards school staff or volunteer adults will result in an automatic 3-day suspension.

U. Bus behavior

All school rules apply to students while they are traveling on the bus to and from school. Students who violate the rules as determined by the bus driver and the School Administration will receive the appropriate level of discipline. This could include being excluded from the bus.

Z. Any senior suspended from school in the course of the school year due to events on campus or off campus may be subject to an administrative hearing with parents and be excluded from his/her graduation ceremony.

Office Referrals

Should students be sent out of class to the office for disciplinary reasons, they must first report with a pass from the teacher to the office and then take a seat outside of the office until the Assistant Dean of Students is available. Keep in mind that this occurs when the teacher believes a serious school infraction has occurred. A discipline referral form must be turned in to the Assistant Dean as soon as possible or by the end of the school day. Discipline is not effective unless the Headmaster, Dean of Students, or Assistant Dean know the reasons for the referral. Once there the appropriate actions will be taken in accordance within the discipline section of the Student Handbook. Based upon the infraction consequences may be from verbal warnings up to and including expulsion.

SCHOOL DROP OFF PROCEDURES

7 a.m. to 8 a.m. Drop your student off at the front doors to the Life Center building. Upon entering the Life Center **the Before School room** is in the first room to your immediate left. All buses drop off students at the Life Center. Students will be escorted by staff to the LCA classroom building after 8 a.m.

8 a.m. to 8:15 a.m. Drop your student off at the carport which is located in the front parking lot area by the school's classroom section of the building; across from the Life Center. The carport is not staffed until 8:00 am. Please do everything that you can to ensure that your student arrives on time. Students must be in their homerooms by

8:15 a.m. to be considered on time to school.

After 8:15 a.m. Once your student is late for school drive your student around to the office entrance of the school at door #12, and escort him/her into the building. Sign him/her in at the school office.

Picking up children at the carport area after school.

When you pick up your student after school at the carport area please be sure to follow the established traffic pattern. Please do not pull out in traffic ahead of time. Stay in the car lane at all times. Do not create a separate car lane. PLEASE do not call your student from your spot in the car lane to run over to your car. As the pick-up area is typically a crowded area, we want things to be as safe as possible for all children. Students are only to enter their cars when their drivers pull up to the portico area.

If a parent chooses to park the car, park in the Life Center parking lot so there will be no walking through the traffic flow. Students may not walk to their cars without being escorted by an adult. Whereas patience is a virtue, it is also a necessity for each driver to exhibit while picking up students at Life Center Academy!

(Also see pg. 64)

FIELD TRIPS

Generally, each class, Kindergarten through twelfth, takes one to two trips each year.

GRADES

Instructors will inform parents and guardians at “Back to School Night” of the evaluation system used for grading in each course. All make-up work must be completed as soon as possible. A teacher’s syllabus for each course will specify his/her policy for make-up deadlines. However, school policy is that no make-up work for a marking period may be turned in after that marking period has ended. Yet in cases of extenuating circumstances such as medical conditions covered by a medical doctor’s note stating that schoolwork and/or homework cannot be adequately completed, a reasonable amount of time will be given for make-up by the teacher.

GRADING SCALE

Life Center Academy utilizes the following standard for determining grades:

Numerical Score	Letter Grade	
92 – 100	A	Excellent
84 – 91	B	Above Average
75 – 83	C	Average
70 – 74	D	Below Average
0 – 69	F	Unsatisfactory, no credit given

In addition to academic grades, writing, conduct and effort grades may also be given according to the following standard within the Kindergarten and Elementary grades:

E – Excellent
G – Good
S – Satisfactory
N - Needs to Improve
U – Unsatisfactory

F – Failure

HALLWAY ETIQUETTE/PASSES

Please stay to the right side of hallways. Always make sure those walking down the opposite side of the hallway will have plenty of room to pass, especially guests.

Please be sure to greet all guests with a friendly greeting.

During class periods, students must have a pass while moving through the hall.

1. Students should not leave the classroom to go to the restroom or get water unless it is an emergency.
2. All students should have the necessary supplies, texts and workbooks prior to entering the classroom and may only be allowed to return to their lockers once class has started at the rare discretion of the teacher.

HOMEROOM

The Pledge and Salute to the U.S. and Christian Flags, and the Bible Salute.

Each student has the responsibility to show respect to the United States and Christian flags. Every morning students will recite the pledges to the United States and Christian flags, and will participate in the Bible salute.

Pledges

I pledge allegiance to the flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

I pledge allegiance to the Christian flag and to the Savior for whose kingdom it stands. God the Father, our Creator. The Lord, our Savior and friend. The Holy Spirit, our comfort and guide.

I pledge allegiance to the Bible, God's Holy Word. I will make it a lamp unto my feet, a light unto my path, and I will hide its words in my heart that I might not sin against God.

HOMEWORK

For elementary grades, generally, homework will not exceed 60 minutes per night. For high school students, grades 7 through 12, a suitable amount of homework will be assigned. Note: It is understood, however, that each student works at varying rates; therefore, some may need more time while others will need less time to complete assignments. No homework will be given on Wednesday nights except with advance notice in order that families may attend their mid-week church service.

HOMEWORK is an integral part of the school program; each teacher is at liberty to give homework to aid the students to advance in their studies.

Failure to complete homework will affect the student's daily grade.

For the **Elementary grades** 100% credit will be given for homework turned in on time. 50% credit will be given for homework turned in 1 day late. 25% credit will be given for homework turned in up to 1 week late. No credit will be given for any homework turned in after 1 week.

Homework is given for several reasons:

1. For reinforcement: We believe that most students require adequate review to master material essential to their educational process.
2. For practice: Following classroom explanation, illustration and review of new work, homework is given so that the material will be mastered.
3. For remedial activity: As instruction progresses, various weak points in a student's grasp of a subject may become evident. Homework following instruction is given to overcome such difficulties.

4. For special projects: Book reports, compositions, special research assignments and projects are some of the activities that are frequently used as homework assignments in certain areas of study. Those having specific due dates may be turned in early; however, those turned in late are subject to penalties for tardiness.

Policy for Make-up Work

Instructors will inform parents and guardians at “Back to School Night” of the evaluation system used for grading in each course. A teacher’s syllabus for each course will specify his/her policy for make-up deadlines. Grades for make-up work turned in after the appropriate deadline are typically subject to a penalty for lateness. School policy states that no make-up work for a marking period may be turned in after that marking period has ended. In cases of extenuating circumstances such as medical conditions covered by a medical doctor’s note stating that schoolwork and/or homework cannot be adequately completed, a reasonable amount of time will be given for make-up by the teacher.

Any student who does not make up his/her work because of his/her negligence or because he/she chooses not to do his/her work receives an “F” for the missing assignments, tests, etc.

School Policy requires teachers to strictly adhere to the Student Handbook requirements for making up missed work. When this is done then most of the problems involved with incomplete grades and work will be avoided.

HONOR SOCIETIES

LCA has established chapters of the International Thespian Society and the National Honor Society. The following qualifications apply to requirements for acceptance into those honor societies:

International Thespian Society

1. Must be in the 9th – 12th grades.

One/half induction point may be earned for reviewing non-school performances. A required 10 points is necessary for consideration towards membership in the Thespian Society.

National Honor Society

2. Must have been enrolled in LCA a minimum of one semester.
3. Must have a cumulative grade point average of at least 3.4 since the 1st semester of the 9th grade.

5. The Faculty Council will vote on each candidate following evaluation for outstanding performance in scholarship, leadership, service, citizenship and character. A majority vote of the Faculty Council is required for election to membership.

LOCKERS

Lockers are assigned to students at the beginning of each new school year. They remain school property, and as such, LCA reserves the right to inspect the contents thereof and to remove anything contrary to school philosophy. Please do not store food (other than your daily lunch) in the lockers. This will help avoid extermination costs. Also, we ask that students do not place stickers of a permanent nature on the lockers. Locker usage during school day is at student arrival, break (no upper school students may go upstairs to their lockers during break), before and after lunch and dismissal. Students may not go to their lockers between 1st and 2nd periods, 3rd and 4th periods, and 6th and 7th periods.

MEDICATION/SCHOOL NURSE/CONCUSSIONS

All medication must be brought to the School Office. No pills or medication of any kind are to be retained by the student. These precautions will be strictly enforced. This includes all cough and cold medicines, etc. If possible, all medication should be administered before or after school unless there is an emergency.

Medications may only be given if the school has received all three of the following:

- a. Written order from a medical doctor
- b. Pharmacy prescription labeled bottle which matches what the medical doctor ordered
- c. Written permission signed by parent/guardian which matches the medical doctor's written order.
- d. The school may not provide Advil, Tylenol, cough drops, etc.

Medical permission forms, for your use, may be obtained at the Nurse's Office. Parents/Guardians are required to notify the school nurse of any and all special medical conditions/needs of your child, to include but not limited to allergies, asthma, seizures, etc.

Nurse's Office

Students are not permitted to remain in the nurse's office any longer than 15 minutes unless the nurse has decided to send them home.

Students may not call their parents to tell them they do not feel well.

Students with Concussions

Procedures which are to be put in place for students with concussions.

1. The individual may not resume the role of student until the physician has cleared the child in question.
2. Each individual reacts differently to a concussion. There is no time frame that can be listed as a reasonable period of rest. It might take twice as long for some individuals. The physician is the one who determines when a student may return to the task of completing school work. The decision of the physician might be for a minimal assumption of the assignments facing this student. After reviewing how the student can handle this, the physician might increase or decrease the amount of work allowed.
3. The student is not exempt from missed work, rather, once we have the directive of the physician we need to be flexible in creating a workable completion date for assignments; homework, projects, tests, etc...
4. Understand that the physician might just want the student to attend school for a while without doing any work.
5. Knowing that the concussion was not the fault of the student, provide the most nurturing environment for the student in the classroom as possible.
6. Take the student's word for it if the student needs to rest or take a break in your class.
7. Let the Administration know if you have any questions about how to proceed in any aspect of the process in helping the student.
8. Don't give any medical advice to the student.
9. If the school year runs out, the teacher and the Administration will evaluate which direction to take towards giving the student the appropriate grade.

NO PASS NO PLAY POLICY FOR THOSE IN EXTRA-CURRICULARS

It is the desire of Life Center Academy to see each student succeed in their endeavors at our school. In this quest we have established an accountability policy of No Pass No Play for all students in grades 7 – 12, not just those who have decided to participate in extra-curricular activities during the school year. However, to be a member in good standing of any club or sport at LCA a student must be passing all of their classes. Participants include members, athletes, cheerleaders, managers, and score keepers.

From day one of the school year grades will be monitored weekly by the Assistant Athletic Director. Teachers are expected to keep their online gradebook up to date and assist the Assistant Athletic Director with failure notices and missed assignments. The Guidance Counselor will be working in conjunction with the AAD. Teacher communications need to include both of these individuals in all correspondence.

The Evaluation or E list will be submitted to the Headmaster, school office, athletic director, club sponsors and coaches by 2:45pm each Monday. Students who have a cumulative grade between 70% and 74% will be listed in the category of Danger of

Failing. Students who have a cumulative grade of 69% or below will automatically be ineligible to be involved in their club activities or to play in their sport the next week. These students will automatically be signed up for Homework Help club on Tuesdays and Thursdays in Ms. Higginbotham's classroom, room 203, 3pm – 4:30pm.

Once again from that Monday afternoon until the next Monday afternoon students in the 69% or below category may not participate in any event, scrimmages or games nor travel with their club or team regardless of any prescheduled event, tournament, or consequential forfeiture of a game. Athletes may practice with their teams. Club Leaders and Coaches will be responsible to inform their players of their names being listed on the E list and any ineligibility status.

The E list will not be altered nor the E list status of any student be updated for any reason until the next evaluation one week following the submission of the original E list. Upon the release of the next round of E lists the absence of a student's name from the E list qualifies them to be eligible to participate in their extra-curricular activities.

Students who failed a class during the previous school year or the last marking period of that year will automatically be categorized as ineligible to participate the first week of school. The results of the first E list will clarify if they are eligible to begin participating or not. Students must participate in homework help sessions and/or approved private tutoring.

School Suspension

Any student suspended from school will be denied participation from any activity with their club or sport during the suspension and upon return to school the number of days of their suspension.

PHYSICAL EDUCATION PROTOCOL

1. Participation in all activities in the P.E. class is a requirement.
2. No food or drink can be consumed in the gym, indoor soccer field, or locker rooms.
3. All students must bring a their own combination lock for their P.E. lockers.
4. No clothes should be left on the floor in the dressing rooms. Left clothes will be collected and placed in the lost and found area.
5. P. E. lockers must be kept locked at all times. LCA is not responsible for any lost articles from lockers.
- 6 The P. E. teacher will supervise dressing before, during and after P. E. activities to prevent horseplay, etc. within the locker rooms.

7. Students in Jr./Sr. high school are required to dress out in LCA P. E. clothing for their required P. E. classes. If they do not dress out then points will be taken from their grade.

PLAGIARISM/CHEATING

Taking another person's ideas, writings, etc. and passing them off as one's own is not acceptable work or behavior and will receive a reprimand to include a minimum of a zero for work presented, possible restrictive probation, and parents/guardians being notified. Taking photos of the test is expressly forbidden.

SCHOOL CLOSINGS

An automated phone call will be generated from the school whenever school is closed due to inclement weather, etc. We do not close the school early in inclement weather. However, parents are permitted to pick their children up before dismissal if necessary. Aftercare program parents may be called to pick up their children by 3 p.m.

SENIOR SERVICE HOURS

Seniors are required to complete a certain number of hours of community service their final year of high school. Credit for this will be incorporated into the requirements of their Study of Religion class. Details will be supplied in their Bible class. Seniors should complete 10 community service hours each quarter of school.

SPIRITUAL EMPHASIS

LCA exists to educate students with a Christian worldview. Christian Spiritual Emphasis is an integral part of the day to day school setting. It is something which is intertwined with our perspectives, the curriculum, school events and activities throughout the school year.

Chapel

LCA believes the spiritual enrichment of each student is vitally important. The school provides a weekly chapel service for all students. Chapel will be conducted every Tuesday for 45 minutes for K–6th grades and for 7th–12th grades. All staff members are available to counsel and pray with students who are seeking growth in their relationship with God. The entire school atmosphere is geared to developing Christian character and an understanding of Christian concepts, principles, and a personal relationship with Jesus Christ.

School Motto

“But the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness and self-control. Against such things there is no law.”
Galatians 5:22 - 23

SUMMER SCHOOL AND RETENTION

Students with a final grade of 69 or below in more than one course will be retained in the same grade unless arrangements are made with the administration due to extenuating circumstances to make up the work. However, the school reserves the right to make the final decision as to whether a student is eligible for promotion or not. L.C.A. does not operate a summer school.

TAKING TESTS

Tests are a major factor in determining your grades.

- Take tests seriously, as they help greatly in determining grades, which ultimately are placed in your permanent high school records.
- Establish regular periods of study time while at home.
- Get proper rest prior to taking a test.
- Pray.
- Automatically clear your desk of all materials except two pens, pencils and a cover sheet.
- Place materials in or under your desk, and not in the aisle.
- Avoid cheating. Cheating is wrong. Wrong = Sin.
 1. Keep your answers covered.
 2. Do not look around the room, because this appears that you are cheating.
 3. All your answers are to come from you. If they do not, this is stealing. It is better to earn a “D” grade honestly than an “A” dishonestly. Proverbs 16:8 says, “Better is a little with righteousness than great revenues without right.”
- Do not begin until you have been told to do so.
- If you have any questions, raise your hands.
- Check your papers twice before handing them in to the teacher.
- Once you have finished your test sit quietly at your desk, doing whatever the teacher allows. Being considerate gives your classmates the opportunity to take their tests without being distracted.

TEXTBOOKS

1. No mishandling of textbooks.
2. Students are not to write in their textbooks.
3. If a textbook is lost, the student is responsible to pay for its replacement.

THEATRICAL PRODUCTION CREDIT

9th through 12th graders will be given credit for involvement in Fountain of Life Center Theatrical Productions on their transcripts under the category of Theatre. Each production has a credit value of 1.

To receive credit, students must pick up a Proof of Involvement form from the Dean of Students. Their supervisor in the Production must sign it at the conclusion of the performances. The student is responsible to return it signed to the office.

SOLOMON CHAPTER OF THE NATIONAL HONOR SOCIETY

Membership into this society is a privilege, not a right. The selection process begins with the selection of those tenth, eleventh, and twelfth graders who have earned at least a 3.4 cumulative grade point average. The GPA differs from a direct average in that the value of individual courses is shown in the weight of their numerical value.

A list of eligible candidates then proceed to the next selection process. These students are then evaluated in the areas of Leadership, Service, and Christian Character. The following criteria will be considered in this selection process:

Leadership (more than holding an official position or office)

1. Takes constructive lead in class, homeroom, and school activities
2. Promotes worthy and proper school activities
3. Successfully holds positions of responsibility
4. Contributes constructive ideas which improve the school
5. Definitely influences others for good
6. Shows initiative in his/her studies

Service (not based on doing required work)

1. Puts service to others above self-interest; gives times, effort, and talents, not for personal gain, but for class, school, and community
2. Performs committee or staff work
3. Shows courtesy to students and teachers
4. Represents the school in various types of competition
5. Renders service through the school to the community

Christian Character (consistent pattern of Christian behavior)

1. Each member has made a personal profession of salvation
2. Promptly meets pledges and responsibilities to the school and teaches
3. Demonstrates the highest standards of honesty, reliability, fairness, and tolerance
4. Cooperates with a willing spirit regarding school regulations on property, books, attendance, halls, lockers, uniforms, etc. Actively helps rid the school of bad influences.
5. Upholds principles of morality and ethics

Article III: Selection of Members

Section 1. The selection of members to this chapter shall be by a majority vote of the Faculty Council consisting of five faculty members appointed by the Headmaster. The chapter adviser shall be the sixth, non-voting, ex-officio member of the Faculty Council.

Section 2. Prior to selection, the following shall occur:

- a. Students' academic records shall be reviewed to determine scholastic eligibility.
- b. Students who are eligible scholastically ("candidates") shall be notified and asked to complete and submit the Candidate Form for further consideration for selection.

- c. The faculty shall be requested to evaluate candidates determined to be scholastically eligible using the official evaluation form provided by the chapter adviser.
- d. The Faculty Council shall review the Candidate Form, disciplinary records and faculty evaluations in order to determine membership.

Section 3. The selection of new, active members shall be held once a year during the first semester of the school year.

Prior to notification of any candidates, the chapter adviser shall review with the Headmaster the results of the Faculty Council's deliberations.

Section 4. Candidates become members when inducted at a special ceremony.

Section 5. An active member of the National Honor Society who transfers from this school will be given a letter indicating the status of his/her membership and signed by the Headmaster.

Section 6. An active member of the National Honor Society who transfers to this school will be automatically accepted for membership in this chapter. The Faculty Council shall grant to the transferring member one semester to attain the membership requirements and thereafter, this member must maintain those requirements for this chapter in order to retain his/her membership.

Each eligible student is rated in these 3 categories with numerical values. Those who meet the percentage required by the Solomon Chapter are then invited to join the NHS. Membership requires annual prepaid dues, a monogrammed chapel sweater, and mandatory school service. All four qualities of the NHS must be held in high esteem to continue membership in NHS.

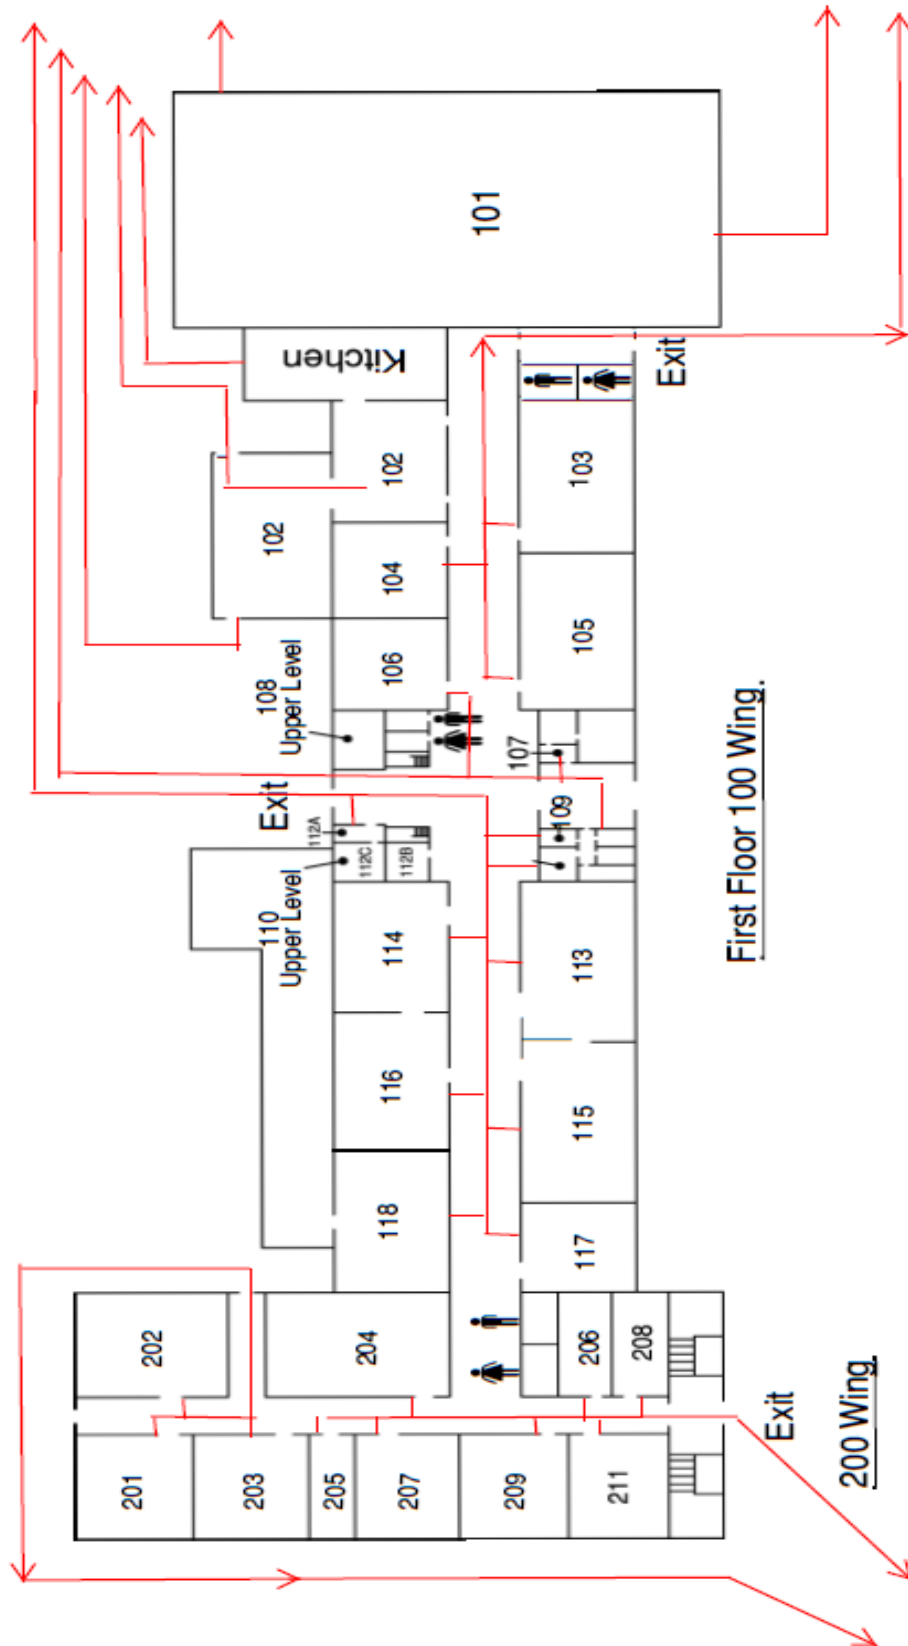

Please see the Life Center Academy website www.lcanj.org, for a complete listing of the Bylaws: National Honor Society Life Center Academy, Solomon Chapter.

Respectfully,
NHS Advisor

I. Philosophy and Mission of Athletics

The mission of Life Center Academy is to foster the development of a Christ-like character through teamwork, sportsmanship, integrity, honesty, and respect. Athletics is an important part of the school program but it needs to be in accord with the school's mission, vision, and core values. Life Center Academy believes that all that is done in life should be pleasing to God, including athletics. The athlete, coach, and team are striving to do their best in all areas of life. Playing with actions pleasing to Christ is of the utmost importance. Performance at one's best for the benefit of the team is primary, while winning is secondary. The coach is to teach the athlete how to deal with both winning and losing, as well as with the pressures in the athletic world, in a manner that is pleasing to God.

We believe the team is more important than one individual. Team unity is vital, while individual achievements are also recognized.

I Cor. 10:31 – “Whatever you eat or drink or whatever you do, you must do all for the glory of God”.

Col. 3:23 – “Work hard and cheerfully at whatever you do, as though you were working for the Lord rather than for people”.

II. Statement of Purpose

1. Our athletic program will strive to develop a Christ like character in our athletes. This goal will be incorporated into all practices and competition events.

2. LCA will seek out and utilize coaches who view athletics as a vehicle for ministry in the lives of young people. The development of the spirit and the body is to be biblically balanced.

3. Our approach and delivery will encourage parents to see sports as a valid extensions of Life Center Academy's (Christian) educational program.

Team Levels: Since there are different skill levels of the players within our athletic teams, it is important to emphasize different goals at each team level. Therefore, our goals are:

1. Junior High Team:

- a. To learn basic fundamentals of the sport(s) and the individual skills of the game.
- b. To learn team concepts
- c. To emphasize individual participation/playing time rather than team success.

2. Junior Varsity Team:

- a. To build individual skills.
- b. To further develop team concepts, strategy and tactics.
- c. To achieve a balance of individual participation/playing time and team success.

3. Varsity Team:

- a. To refine individual skills and team play. Team achievement and success is more important than individual achievement.
- b. To apply the learned team concepts, strategy and tactics.
- c. To strive for team success.

III. Guidelines

A. It is a privilege not a right for a student to participate in interscholastic athletics. The school may revoke this privilege when the athlete does not conduct himself in an acceptable manner.

B. The participant must maintain acceptable levels on academics, Christian character, citizenship and sportsmanship.

C. Team Size- Student athletes that wish to compete must realize that often a “try-out” is necessary in order for the coaches to determine who is best prepared to compete. Unmanageable numbers can cause discouragement and unsafe conditions for all involved. The maximum number of team members will be as follows:

Soccer – 18

Cross Country – 14

Basketball – 12 (if no JV, 15 player max.)

Junior Varsity Basketball - 12

Baseball/Softball – 15

Cheerleading – Size determined jointly by Administration, Athletic Director, and coach.

Volleyball – 12

Team sizes may exceed the maximum at the discretion of the Administration, Athletic Director, and coaches.

When a try-out is necessary, selection of a candidate may be based on athletic performance, attitude, conduct, cooperation, and the desire to represent both Christ and the student body in a manner that compliments the school.

Students in grades 9 – 12 are eligible to participate at the Varsity level. The decision to allow 8th graders to participate on a Varsity team will be made by the Athletic Director, Coach and the Administration. However, if the 8th grader is allowed to play on a varsity team his/her parent(s) must sign a waiver that states they understand the implications that may arise if they transfer their athlete to another school that has 4 year eligibility rules.

Any student who turns 19 prior to September 1 will be ineligible for any Penn Jersey Athletic Association contests per the league By-Laws/Constitution.

Students in grade 12 are not eligible for Junior Varsity level teams unless consent has been given by the Athletic Director and school administration.

It is not possible to state how much playing time each team member will have because coaching decisions are based on many factors.

D. Practices and Games

All athletes must be prompt and are expected to attend all practice sessions as well as games. Practices generally begin at 3:00 pm every day except Wednesday. There are no practices on Wednesday unless absolutely necessary. All Junior High practices finish at 4:30pm and Varsity practices finish at 5:00pm. The only exception to these times would be basketball. Practices vary due to gym availability.

Excused absences from school are also excused absences from practice and games.

It is at the coach's discretion to dismiss a player from a team due to numerous unexcused absences.

It is the responsibility of the athlete to notify the coach in advance of any practice or game that he/she will miss; otherwise the practice or game that is missed is considered unexcused.

If an athlete missed practice or a game that is unexcused, disciplinary action may result from the coach. This includes not starting, mandatory bench time, etc.

In order to participate in any athletic practice or game on a given day, the athlete must attend school on that same day and must be at school by 11:30a.m.

E. Miscellaneous

1. Parents are responsible to see that their children are picked up promptly after practices and games.

2. Students may bring electronic devices to games/practices but use of those devices will be subject to the head coach's discretion. Students are solely responsible for these devices.

3. The coach of each sport may set specific team rules in addition to those found in the Student Athlete Handbook. These rules will be given to the athletes by the coach at the first meeting or practice of that sport.

4. Athletes are expected to adhere to the school dress codes for all athletic events. When there are alterations to this policy, the coach and/or Athletic Director will give directions concerning what may be worn to these events.

5. Any player dismissed from a team for disciplinary reasons may not compete in that particular sport until further notice from the coaching staff involved, the Athletic Director, and the school Administration.

6. All sports are governed by the rules stated by NFHS (National Federation of High School), except when modified by the league rules to which a team belongs. The varsity teams are members of the Penn-Jersey Athletic Conference and the Jr. High teams belong to the Eastern Burlington County Middle School league for basketball. For all other sports the Jr. High teams follow an independent schedule.

IV. Eligibility Requirements & Expectations of Student-Athletes

A. Behavioral Eligibility

Proper behavior must be demonstrated whether in school or during competition. The consequences of improper behavior may be temporary or permanent suspension from a team as determined by administration.

It is the expectation of Life Center Academy that as a student-athlete you will represent our school in the best possible manner. Life Center Academy respects the rights of its students to use social media. However, it is important for all students to understand the need to exercise care in setting appropriate boundaries between their personal and public online behavior and to understand that what may seem private in the digital world can often become public, even without knowledge or consent. Social Networking Guidelines include avoid posting illegal activities, avoid bullying/threats of violence, and avoid lying, cheating, and plagiarizing. Failure to adhere to the social networking policy will result in disciplinary action.

B. Profanity will not be tolerated at any time.

C. Academic Eligibility

Athletes must maintain passing grades in all subjects while their sport is in season. Every week during the season an academic eligibility list will be generated by the Assistant Athletic Director. If an athlete's grade in one or more subject drops to an "F" they will be on placed on the ineligibility list.

They will remain ineligible for one week regardless of when they bring their grade(s) to passing. During that week they may practice with the team but they cannot play in games or travel with the team. Students will be expected during that week to continue to participate in homework help or approved private tutoring to improve their grades.

D. Student-Athletes are expected to be leaders and mentors for younger students. Initiation rituals and hazing are not acceptable and will not be tolerated. One is expected to lead by example. Leave a positive legacy during your time at Life Center Academy.

E. Student security and safety in the locker room facility are priorities of the coaching staff. Each student-athlete is responsible to assist in keeping the locker room area clean, safe, and secure. Absolutely no horseplay. Lock and re-check your locker before leaving the locker room. Report any missing items to your coach or administrator immediately. Treat the facility with respect.

F. All student-athletes, their parents, and head coach will sign Life Center Academy Athletics Rules and Expectations contract at the start of each season. This contracts will be kept on file in the Athletic Directors office.

G. Students Athletes interested in playing college sports should:

1. Make athletic department and coaches aware that you are interested in playing sports in college.
2. Be registered with NCAA (see note below)
3. Apply and send transcripts to schools you are interested in pursuing.
4. A sports resume/profile should be on file with the Athletic Director.
5. Game film is the responsibility of the student and/or parent to have filmed. Certain coaches do film games for review/scouting purposes. You may ask the coach or athletic department if you may borrow these films. You must provide us with a blank DVD if you would like your own copy.

H. The NCAA has a policy for standards of eligibility to participate in Division I & Division II college athletics. This includes the creation of a clearinghouse through which an athlete must become certified. Each athlete must also complete the NCAA Clearinghouse form by the end of his or her junior year in order to gain certification. This can be done at www.eligibilitycenter.org SAT/ACT scores must also be sent to the clearinghouse. Student should designate the NCAA Clearinghouse as a recipient of your test scores when registering for the test.

V. Awards

Also, an award will be given to the Male/Female Scholar Athlete of the Year. These awards will be given the athlete who meets the criteria set forth below.

1. Outstanding Athlete of the Year – To be a great athlete and individual one must be physically prepared, mentally agile, and a cooperative team player. The mastery of such qualities is worthy of recognition. The award of Outstanding Athlete of the Year goes to a male and female who has played a minimum of 2 varsity sports while demonstrating excellent athletic abilities, leadership, Christian character, and good sportsmanship on the playing field and in the classroom. The athlete must maintain a minimum 2.5 GPA.

2. Scholar Athlete of the Year – Success on the athletic field and in the classroom is an accomplishment that should receive the highest accolade. Both require stamina, endurance, determination, and hard work. To do both well is an exceptional feat. In addition to the Life Center Academy requires that the individual exhibit a good Christ-like attitude. In recognition of this outstanding accomplishment Life Center Academy is awarding the title of Scholar Athlete of the Year to the deserving male and female junior or senior athlete who has played a minimum of two varsity sports and shown a desire for excellent overall athletic performance and has the highest GPA (minimum 3.75) in their sex group.

3. LCA Varsity Club - Any athlete who participates in a minimum of 2 varsity sports during an academic school year would be considered for this award.

4. 3 Letterman Award - Any athlete who participates in 3 varsity sports during an academic school year would be considered for this award.

VI. Physical Exams and Permission Slips

- A. Each athlete is required to have a physical exam. A physical exam is good for 1 year from that date it was issued. This physical exam must be given by a licensed physician and reported in writing before the student may start practice.
- B. If a student has been injured during a sport's season or has had an illness that prevents the athlete from playing that sport for an extended period of time, the athlete must have a licensed physician and a parent sign a "Return to Athletics" form before being permitted to return and participate in the sport.
- C. Any athlete that sustains a concussion during any athletic contest or practices must submit a physician's approval to return to full competition.
- D. Injuries:
 - 1. Precautions are taken to prevent injuries, but they do occur. All injuries must be reported to the coach so that proper aid may be given. It is important that allergies or other ailments that require special attention be reported to the coach at the start of the season.
 - 2. If an athlete is injured, or claims to have been injured, or is in a situation where injury could have happened to him or her, the parents will be contacted as soon as possible. If necessary, emergency personnel will also be contacted. The coach or an assigned member of the staff will be with the injured student at all times until the arrival of the parent or guardian.

VII. Uniforms and Equipment

- A. The team's coach will issue the team uniform. Each athlete who is issued a uniform is responsible for its proper care. It must be returned to the coach in good condition at the end of the season. If it is damaged, worn beyond normal wear, lost or not returned, the athlete will pay for the uniform at its replacement price. Usually one replacement uniform will cost far more than when originally ordered. Report cards, transcripts or any requests for official school documents will not be given out if the following uniforms are not returned or paid for.
- B. The uniform may not be worn anytime or place other than what is authorized in connection with official games.
- C. All uniforms must be returned cleaned with every piece included that was originally issued.

D. All uniforms must be returned within one (1) week after the last game of that sport's season.

E. The equipment a team uses is the responsibility of the team. Abusing equipment or supplies may result in the dismissal from the team and/or replacement of the damaged equipment by one or ones that damaged it.

VIII. Transportation

- A. The school will provide transportation for the teams to go to the athletic event. After the athletic event, it is the parents' responsibility to pick up his/her own child at the appointed time and place.
- B. Students will ride school-provided transportation. Prior written request from the parents involved and approval by the Dean of Students will only grant exceptions.
- C. Student drivers are not permitted to transport themselves or other students to any athletic event. Prior written request from the parents involved and the approval of the Dean of Students will only grant exceptions. In specific situations verbal approval by the parent(s) involved will be allowed by the approval of the Dean of Students.
- D. For some athletic events, there may be room for student spectators to ride the school-sponsored transportation. Student spectators must have written parental permission to travel to these events. The presiding coach will determine if there is sufficient room on the team vehicle for spectators.
